

16th July 2021

Dear Student,

We understand that this has been an unusual and worrying time for students and parents in the absence of you being able to sit your exams as planned. However, we hope that you feel supported by your pastoral team and by your teachers. As you are aware, our teaching staff have been busy assessing your work for submission to the exam boards. We have also carried out a thorough moderation with other schools and have sent off samples from students for external checking.

Result's **Day**
This year, results can be collected on site from 9am on Thursday 12th August. However, these can be posted. If you wish to have them sent home, please email: exams@utcplymouth.org. Should you wish your results to be collected by a family member, you will also need to use the exams email above giving your written permission for a named person to collect them on your behalf.

Our school site will be open until 12pm and we will be handing out results for GCSEs and BTECs.

Sixth **Form** **Sign** **ups**
If you have not yet signed up for our Sixth Form, there will be an opportunity to do so on August 12th. We will also be open for drop-ins and sign ups from students who have attended other schools. As always, careers advice and guidance will be available as well as support for next steps. If you have any questions, please do not hesitate to contact us. We still have prizes available for anyone who signs a friend up!

We look forward to seeing you!

Should you have any queries or need assistance regarding your next steps please contact peter.bragg@utcplymouth.org who will endeavour to assist you.

I wish you every success for your future.

Warm

wishes
