

Executive Certification for Academy Readiness to Reopen for a Wider Group of Pupils

This certification should be read in conjunction with the following documents:

- Estate Management for Academies Commencing Operation Beyond Providers of EduCare - 20.05.2020
- Personal Protective Equipment Guidance for Academies Commencing Operation Beyond Providers of EduCare 26-05-20
- Schools' Individual Risk Assessment Pack

The certification is to indicate that the relevant official is satisfied that all of the necessary preparations and precautions set out in the DfE guidance for wider opening of schools, issued in May 2020, have been met and the academy is ready for the admission of a larger number of pupils.
