

## Workshop Health and Safety Contract

Your safety and that of others, is our top priority. Any failure to comply with these rules will lead to your removal from the workshop. A constant failure to comply with these rules will lead to your permanent removal from the workshop and all Engineering/practical lessons. As we are working with industry standard machinery and equipment, you will have to adhere to the same guidelines as any workplace.

### UTC Health and Safety rules:

1	Student entry to the workshop  <b>RESPECT</b>	Entry to the workshop will only be through the designated entrance, set by your teacher. Any unauthorised entry into the workshop will be seen as a breach in health and safety and will result in your removal from further engineering lessons.
2	Walking around the workshops  <b>RESILIENCE</b>	Whilst walking through the workshops, the pink pathway is to be used at all times. At no point are you allowed to leave the pink pathway, unless instructed by your teacher.
3	PPE while working in the Engineering workshops  <b>DEDICATION</b>	When working within the workshops there will be a requirement for you to be in the correct PPE at all times. The PPE will be set by your teacher, but for all practical lessons you will be required to wear; Safety Boot/Shoes and Overalls/Dust Coat. If safety glasses are needed then your teacher will instruct you to wear them.
4	Using Tools and Equipment  <b>PROFESSIONAL</b>	When using the tools and equipment in the workshop you will only use them for intended use, as directed by your teacher. Any misuse of tools and equipment will lead to your removal from the class and any future workshop lessons.
5	Behaviour and conduct  <b>DISCIPLINE</b>	Whilst working in the workshop you will display professional behaviour. You will follow instructions at all times. There is to be no unprofessional conduct and you will not put anyone at risk with your actions. If at any time you fail to comply, you will be removed from the lesson and any future lessons in the workshop.
